Marine Pilot Regulation

The Board of Pilotage Commissioners is a regulatory board appointed by the Governor and confirmed by the Senate, consisting of nine part-time members and one full-time staff person. Marine pilots are trained, tested, licensed, and regulated by the Board in order to provide efficient compulsory pilotage services, maintain a safe marine environment, and develop and encourage waterborne commerce for Washington State. The Board annually sets tariffs for which a pilot must charge for pilotage services performed aboard vessels. The Board also adopts rules and regulations and may take disciplinary action against pilots and/or vessel owners who violate state pilotage laws.
